

Deutsche Bank Park stadium regulations

The Eintracht Frankfurt Stadion GmbH (EFS) stadium regulations cover the entire Deutsche Bank Park premises (hereinafter referred to as "Deutsche Bank Park"). Upon entering the area in which these regulations apply, visitors to Deutsche Bank Park must abide by and submit to the following regulations under private law. If the stadium is being used on the basis of a written agreement, the regulations remain binding beyond the conclusion of the contract unless otherwise stipulated. Aforementioned contracting parties are obliged to inform employees and other persons accessing Deutsche Bank Park in connection with the above agreement of these regulations and their validity, and to ensure these regulations are complied with.

§ 1 Application

1. The stadium regulations apply across the entire Deutsche Bank Park premises, the boundaries of which are indicated by the dotted line in the layout plan in Annex 1. The layout plan forms part of these rules and regulations.
2. The regulations apply to all persons at all times (24 hours a day) from the moment they enter Deutsche Bank Park. Visitors to Deutsche Bank Park acknowledge that these regulations are binding.
3. Deutsche Bank Park is not open to the public. The regulations take effect upon entering Deutsche Bank Park.
4. Alternative versions of Deutsche Bank Park regulations, particularly those stipulated by organisers, are equally binding.

§ 2 Staying at Deutsche Bank Park

Outside opening hours and on non-event days, only persons with express permission of EFS are granted access to Deutsche Bank Park. Unmanned aerial vehicles (drones) are prohibited from taking off, flying over and landing at Deutsche Bank Park.

§ 3 Entry requirements

Upon entering Deutsche Bank Park, visitors must present their admission ticket or other forms of accreditation to control or security staff, police officers or other law enforcement officials without being prompted, and hand over their ticket for inspection upon request. Tickets are no longer transferable after passing through turnstiles

or other gates. While at Deutsche Bank Park, visitors are required to present or hand over documents to control or security staff, police officers or other law enforcement officials when prompted. Officials are not required to give a reason for inspection.

Visitors who are unable to produce their admission ticket or accreditation will be removed from Deutsche Bank Park by control or security staff, police officers or other law enforcement officials. Persons who have been banned from Deutsche Bank Park by EFS, the DFB, DFL organisers, UEFA, FIFA, and/or by court order forfeit their right of entry. Ticket holders are only entitled to attend the event specified on their ticket. Tickets become invalid upon leaving Deutsche Bank Park. Any misuse will lead to confiscation of the ticket, immediate removal from Deutsche Bank Park and legal action, if necessary. Black market sales, no matter where they occur, are forbidden at Deutsche Bank Park and will be reported to the police.

§ 4 Conduct at Deutsche Bank Park

1. Within Deutsche Bank Park, visitors are required to behave in such a way that ensures no other people are harmed, endangered, obstructed or inconvenienced more than is necessary.
2. All visitors must obey the instructions of law enforcement officials, the police, the fire service, control and security staff and the Deutsche Bank Park stadium announcer. Anyone who intentionally or negligently fails to comply with these instructions will be removed from Deutsche Bank Park by the responsible law enforcement or security staff.
3. Visitors with a valid admission ticket are only permitted to occupy the seat indicated on their ticket, and may only use designated entrances to access it. For security purposes and to avoid danger, visitors may be required to take other seats, including seats in other blocks, if asked to do so by Deutsche Bank Park control or security staff or the police.
4. Visitors who are obviously under the influence of alcohol and/or intoxicating substances, carrying weapons or other dangerous items as defined in § 5, and who fail to consent to their confiscation by control or security staff are prohibited from entering Deutsche Bank Park.

In general, visitors with a blood alcohol content higher than 0.16 percent will be denied entry to Deutsche Bank Park.

If there are reasonable grounds for suspicion that a visitor is violating a regional or nationwide ban on attending sporting or other stadium events, of being under the influence of alcohol or other intoxicating substances, of carrying weapons or other dangerous items listed under § 5, Deutsche Bank Park control and security staff or the police are permitted, with the person's consent, to inspect their clothing and belongings (through appropriate technical means if necessary) in order to clarify the situation, to determine whether they are under the influence of alcohol or other intoxicating substances or, in the case of a potential stadium ban, to confirm their identity by inspecting their ID documents. Visitors who fail to give their consent in accordance with clause 4 will be denied access to Deutsche Bank Park by the control and security staff or the police, or removed from Deutsche Bank Park entirely.

5. Visitors suspected of carrying a contagious disease, as defined by the Federal Epidemics Act and the Infection Protection Act, or other dangerous illnesses will be removed from Deutsche Bank Park.
