JOIN THE TEAM!

Rugby is a sport for everyone, regardless of size, age or gender. There is a place for everyone!

Rugby is fast, dynamic, encourages team spirit, and is becoming increasingly popular. Our children's and youth teams are the best proof of this. At Eintracht all age groups (from 3 to 16 years) are taught the basics of rugby by practicing balance, learning coordination and self-confidence. From the age of 8 onwards, Eintracht players develop the game and gain a greater understanding of Rugby's values.

Come over for a visit and sign up for a free first training session!
